The Diamondbacks have stolen 4 bases this game, and 4 last game. I believe it is their speciality and something that gives them a head start advantage. They are still in the lead at the top of the 8th 4-2. [#stealers](#)

Kevin Ginkel, pitcher for the Diamondbacks, throws 5 strikeouts in a row. At the bottom of the 8th inning star player Alec Bohm snaps his bat in half out of frustration due to striking out. He continues to throw a temper tantrum in the bullpen. [#brokebatbohm](#)

Unfortunately, the Philadelphia Phillies could not pull it together in the final stretch of the game, and the crowd is heartbroken. Their season has officially ended and the Diamondbacks will be advancing to the World Series. [#livelovephilly](#)
